- Managers did a great job as usual
- Volunteers did great
- Scheduling system still under evaluation
- TNT provided iPads
- Looking to add pop up tents next year as a shade structure in front of booth. FAA will purchase.
- FAA will supply "Manager" shirts next year so managers are easily identified

Director comments

- David G – Got married, football camp went well but less kids than last years
- Dave B. Veterans Day Parade upcoming, looking for artist to re-do our silhouettes.
- Mike D and Rich F. will speak to HS art teacher to see if any interest. Both our kids have art class.
- Mike R. "Kick it" camp last month. Went well, but numbers down. Great support from the city and volunteers.
- Ernie – passed out River Park Fundraiser info. River Park is area where the City Corp. Yard is, and will be abandoned when corp yard moves to new location. Would like to see it be developed as a nature park, not commercial or residential.
